(Bethel Emergency Ambulance & Rescue Service)

Board meeting was held Sept. 18 to discuss agenda for BEARS monthly meeting on Sept. 19. Priority item that was brought before the meeting was the question of whether the BEARS could continue to provide ambulance service for the town of Bethel. The consensus of opinion was to make every attempt possible to prevent this state of emergency from occurring. It is a fact that if the town has to employ an ambulance service, your taxes will skyrocket. Or if we have to call an ambulance from South Paris or Rumford, this would mean getting to a hospital more than a half hour later than at present.

The one way Bethel can retain its present ambulance service is for more townspeople to come forth and volunteer as ambulance workers. The present few BEARS left on the force will be speaking before civic organizations in the next month as well as conducting advanced first-aid classes at Telstar on Tuesday nights at 7:00. Influential persons such as our Selectmen, pastors, teachers, etc., continued on Page Eight

COMMENTS FROM THE TOWN MANAGER'S OFFICE

The 1977-78 Hunting Regulation booklets are now available at the Town Office. Selected Hunting license fees include: Resident Junior (10-15 yr. inc.) \$1.50; Resident Hunting (16 yrs. and over) \$7.50; Resident Combination Hunting and Fishing (Over age 70) Free; Resident Combination Hunting and Fishing (16 yrs. and over) \$12.50.

Residents who will be going on vacation or who will be away for periods during the winter are reminded that the Police Department provides a service of checking homes while owners are away. Residents should contact the Town Office to provide information on their travel plans.

The Bethel Fire Department has a number of vacancies on its roster. Individuals interested in becoming a call firefighter may pick up an application form at the Town Office. Completed applications should be submitted to Danny Davis, Fire Department Clerk.

The Law Enforcement and Safety Committee met Wednesday evening, Sept. 14, at the Town Office. The Committee spent considerable time discussing the summer police officer position which was added this year. It was the conclusion of the committee that having an additional officer significantly contributed to improved conditions in the village area this past summer. The committee felt, however that conditions did not warrant two full-time officers on a year round basis. The committee will be recommending to the Board of Selectmen that the summer police officer position be continued in future years.

The Board of Selectmen will meet in regular session Monday night, Sept. 26 at 7 p. m. in the Town Office.

BETHEL PLANNING BOARD COMPLETES CENSUS

The Bethel Planning Board has recently completed the Population Census for the Town of Bethel. An examination of the population of previous decades in comparison to the 1977 survey figures is advantageous. Thus, the population has been broken down into the following categories:

Age Group	1950	1960	1970	1977
0-4	282	231	201	143
5-18	119	96	91	64
% of total	584	726	615	697
19-64	246	302	277	314
% of total	1,193	1,448	1,163	1,162
65-Over	605	477	634	614
% of total	308	239	245	244
% of total	130	125	110	108
Total Population	2,367	2,408	2,220	2,246

Examining these figures shows that the number of Pre-School Children is down 27% from the 1970 figure and down 55% from the 1950 figure, while the number of school-age persons is increasing. It is interesting to note that the main work force (19-64) has remained stable as compared to the 1970 figures as well as the 65 and over age group.

AT GOULD OPENING—Teachers Don Feeney (left) and Paul McGuire (right) explain the organization and activities of the Gould Outing Club to new students.

GOULD BEGINS 142nd YEAR WITH ENROLLMENT OF 196

Just as it has done every September since 1836, Gould Academy in Bethel opened its doors to new and returning students. This year, however, is somewhat different because Headmaster Donald W. Fudge is one of the new faces on campus. Mr. Fudge was appointed Gould's new Headmaster in March of this year and since mid-June he has been at the Academy actively preparing for his new administration. This summer's planning culminated in a series of intensive pre-school workshops dealing with orientation and leadership for dormitory personnel, teaching faculty, staff, administration, student leaders, and finally, new and old students.

In his remarks to these various groups, which he outlined again at the opening day assembly, Mr. Fudge stressed the concepts of community, concern and commitment as being the keys to a successful year—to develop a sense of community, a small group of students, faculty and administration working together to make Gould an excellent place for learning and personal growth; to show concern for others, yourself and for your environment; finally to make a commitment to do one's best, both within the classroom and in the extra-curricular activities and dormitory life.

A total of 196 students were welcomed on campus to start the fall term. These included 172 boarding, 18 day and six foreign exchange students. Well over one-half of the student body come from New England, with Maine students representing 31% of the total and 16% from Massachusetts. Almost every other state is represented, as well as Bermuda, Iran, Norway, Japan, Prince Edward Island, Hong Kong, Saudi Arabia and Puerto Rico. The foreign exchange students include four from Germany and one each from France and Mexico. Currently there are three Gould exchange students spending the fall term in France.

granted 793 Group Study Exchange awards involving 4,195 young men and more than 50 countries. The awards to date are valued at over \$5,000,000.

Northwest Bethel

— Clarice Gibson, Corres. —

Fall officially begins Thursday. The radio and TV both reported that Limestone got about one inch of snow last week. The leaves have already started to turn and, I suppose, that in about two weeks they will be at their height if not before. I have never seen so many chipmunks and gray squirrels as we have this year. Every time we go out into the yard we can see them scrambling to duck into the woodpile, tall grass, trees, or whatever else is handy. Have heard people tell of coons, bears, and skunks getting into their corn. The birds are doing a job on ours. Ear after ear has been more or less cleaned of corn. We know it is birds because just to walk by the corn patch is to scare them enough, so all along the rows they will be flying away. They are also working on the apples.

Alberta Angevine called on Mildred (Grammie) Chapman at Andrews nursing home recently. Billy Shimamura was best man at the wedding of John Smith and Marcia Mills at the Church of the Nazarene, Sept. 17. Jody Shimamura rang the bells just as they were pronounced man and wife.

Mr. and Mrs. Robert Stearns, Mr. and Mrs. Ricky Seames, Mr. and Mrs. Tommy Gibbs, Mr. and Mrs. Pat Murphy and Mr. and Mrs. Joe Shimamura from around here attended. After the wedding they all attended the reception which was held at Locke Mills.

Mr. and Mrs. David Gilmour and Jean Barrington from Rumford were Sunday callers at Mr. and Mrs. Leslie Lapham's.

Sunday callers of Mr. and Mrs. Ernest Angevine were his sister and husband, Mr. and Mrs. Orval Debois and Dorothy of Shelburne, N. H.

Billy and Jody Shimamura picked apples at Herb Lyon's orchard Sunday and will be picking after school when they can. Their mother, Jerry, said her boys didn't see them, but some of the pickers saw a pack of coydogs.

Mr. and Mrs. Scot Mason are now living at her folks, the Mills, in Hanover.

Charlie Mason, David, Mr. and Mrs. Chuckie Mason and Jennifer, and Carole and Melissa, went to Oxford County Fair Sunday. The girls were very excited because

they won three blue ribbons in horse show. They were for the three-legged race, both girls won; and Carole won musical bags. She and Carole won with the girls. Ruthie Mason was unable to go because she was working at Andrews nursing home.

Mrs. Alden MacDougall and Mrs. Joan Coolidge went to Mexico, one day last week.

Our son, George called up Saturday to tell us about the commissioning ceremony for his ship, the USS Texas. The state of Texas financed the affair and George said they were told that it was the largest commissioning that there had been thus far. Texas sent a lot of their dignitaries, plus some of their native born entertainers, including Charlie Pride. All the men received inscribed watches made by a Texas firm, plus other gifts. They also gave them a beef barbecue with all the trimmings.

Labor Day week end George and a friend went to New York and visited Greenwich Village, then to Pennsylvania and Washington, D. C., where they visited points of interest.

CONTINENTAL PHONE RATES TO INCREASE BY 5.7%

The Maine Public Utilities Com-
mission on Sept. 15 amended its
January decision on Continental
Telephone Company of Maine's
application for increased rates.

The original decision not only
denied Continental's request for
additional revenue (filed in March,
1976), but also ordered rate re-
ductions totaling \$400,000. In re-
viewing the company's appeal, how-
ever, the commission has
agreed that there were "errors and
inconsistencies" in their cal-
culations of the company's revenue
requirement by approximately
\$103,500, and ordered local service
rate increases averaging 5.7% of
present rates.

Residential customers' local ser-
vice rates will go up between 20
cents a month; business custo-
mers' increases will range from 45
to 75 cents per month. The in-
creases are effective Sept. 19.
Certain other supplemental ser-
vices will also be increased.

W. O. Houman, president of
Continental Telephone Company
of Maine, said that the Commis-
sion's latest order in no way ef-
fects the utility's plan to appeal
the original decision. "We believe
that the Commission was in error
in ordering any rate reduction and
disagree with them on several
fundamental items," said Houman,
"and will pursue our appeal on
these grounds."

10 YEARS AGO

Eight people lost their lives and
over 30 were injured when the
engine and tourist car of the
Mount Washington Cog railway
left the rails and tumbled into a
rocky gorge.

Miss Jane Hersey of Rumford
Center, a senior at Stephens High
School, Rumford, was to represent
Maine at the National 4-H Con-
gress, Chicago, in November, as a
result of winning the state pho-
tography award.

Miss Elizabeth Waldron left to
spend a year in Addis Ababa,
Ethiopia, with a college classmate,
Miss Senait Zecon. Miss Waldron
hoped to obtain a teaching position
and to continue her studies at the
university in that city.

Deaths: Cleveland W. Kimball,
Joseph A. Mooney, E. Nestor
Ruokolainen.

20 YEARS AGO

Dr. Charles W. Hersey, veteri-
nary surgeon, purchased a farm at
Rumford Center and established
an animal hospital there.

The Bethel town manager, Har-
old Bean, reported that tax bills
should be delivered about Oct. 1.
The town's valuation totaled
\$60,037.

30 YEARS AGO

Mr. and Mrs. Bruce Bailey were
attending the University of Wyo-
ming at Laramie.

The "Chapman Homestead" in
Gilead, was wired for electricity.

Deaths: Mrs. Lulu Willey.

40 YEARS AGO

There were 186 students enroll-
ed at Gould Academy.

The Bethel Library building was
moved back 16 feet to allow for
the erection of an addition upon
the street front.

Frederick Grover of West Bethel
was manager of the First National
State in West Paris.

place would be in my opinion, meet
with success.

In preparing this letter to you
I wanted to make reference to a
treatise by Cicero which he called
"De Senectute," meaning "Concern-
ing Old Age." I knew that I would
never find a copy in any New
York City secondary schools of
which I am a graduate. The
Gould Academy was referred to
Mrs. Owinga, whose husband
brought me an English version. I
was delightedly surprised by the
wide extent and variety of Gould's
learning resources. Among many
quotable gems from Cicero are
the following: "There is nothing
then in the argument that old age
is devoid of useful activity. 'Large
affairs are not performed by
'muscle, speed, nimbleness, but by
reflection, character, judgment. In
old age, the mind is not dimmed
but augmented.' "All men wish
to attain old age yet grumble
when they have done so. . . .
What is more charming than an
old age surrounded by the en-
thusiasm of youth? There is noth-
ing in the argument that old age
is devoid of activity. This
fact is amply exemplified. The
scores of old legislators, judges,
professional people including emi-
nent scientists, authors and re-
porters who carry on the daily af-
fairs of our own country. "Exer-
cise and experience can preserve
some of a man's vigor to old
age." Where would one find bet-
ter suited or more competent ba-
sitters than among grandparents.

Cicero wrote his treatise on old
age in 46 B. C., and it is as ger-
mane today as it was over 2,000
years ago when he wrote it. I
commend it highly to anybody who
is interested in the aged and their
problems. Again my thanks to
Gould for making an English ver-
sion of the essay available to me.

May I venture the opinion that old
age accompanied by reasonably
good health can be a most mean-
ingful aspect of a person's life. It
can be the beginning of an en-
joyable part of life. It need never
be the end of life or living. Youth
offers us agility and strength, old
age offers experience and wisdom.

Both are needed to complete the
pattern on earth designed by man's
Creator. Young and old comple-
ment each other. Remove either
one from life's pattern; and the
pattern itself would disintegrate
into nothingness. The young do
and the aged advise, young and
old complement each other. A
world devoid of either would be
tragic.

Age is purely relative. I once
heard a mother say to her five old
daughters, "I'm sure that your
friend Susan would never do any-
thing like that." The child looked
at her mother and responded, "Su-
san is old, she goes to kindergarten."

Sincerely yours,
Mark E. Cymrot

LIMITATIONS IN PRESCRIBING FOR MEDICAID RECIPIENTS

A physician who requests a
higher-priced ampicillin or Maxi-
mum Allowable Cost-limited drug
must certify the need in his or
her own handwriting, according
to John E. Fickett, director, Divi-
sion of Medical Assistance, De-
partment of Human Services.

This certification for Medicaid
recipients, Fickett assured, must be
written directly on the prescrip-
tion blank or on a separate sheet
which is attached. A standard
phrase indicating the need for a
specific brand is required, he said
such as, "This brand is necessary."

Physicians are cautioned that a
printed box on the prescription
blank, that could be checked to
indicate brand necessary, is not
acceptable. Also unacceptable is a
handwritten statement transferred to
a rubber stamp, then stamped on
the prescription blank.

Pharmacies dispensing prescrip-
tions to Medicaid recipients have
received notice of the limitations,
the Medical Assistance Director
said.

In May, HBW informed the De-
partment that limits must be es-
tablished for ampicillin capsules,
250 mg. and 500 mg.

WALKING WITH JESUS CHRIST "School time at Telstar"

Books — reading, writing and mathematics, the same today as yesterday. It's wonderful that all children, young people and adults may study, there's so very much to learn and many subjects than when our Lord Jesus studied. His books were scrolls handed down from generation to generation by faithful scholars.

Jesus based His teachings upon the old testament the words of which were put down by men under God's inspiration, see 2 Timothy 3:16 — "All scripture is given by inspiration of God and is profitable for doctrine, for reproof, for correction, for instruction in righteousness."

Yes, from the beginning of time on each men were led by God to write the books of the Bible. Genesis 5 vs. 1 says: "This is the book of the generations of Adam. In the day that God created man, in the likeness of God made he him." Then we have the last book of the old testament, Malachi 3:16 "Then they that feared the Lord spake one to another and the Lord hearkened, and heard it, and a book of remembrance was written —"

Following Christ's death and His resurrection the new testament was written, see Matthew 1:1 "The book of the generation of Jesus Christ, the son of David, the son of Abraham." So you see the Bible consists of many books, here in chapter 22 vs. 19 it says "And if any man shall take away from the words of the book of this prophecy, God shall take away his part of the book of life —"

Yes, there's one more and last book, a book we shall see when we read Revelation 5:1. As Revelation 21 vs. 27 says "And there shall in no wise enter into it (heaven) anything that defileth,

neither whatsoever worketh abomination, or maketh a lie, but they which are written in the Lamb's book of life."

All this tells us we should use the Bible as our need for learning of Godly things that we may learn the way of salvation.

The grace of our Lord Jesus Christ be with you all. Amen." Revelation 22:21.

from organs of the body. It logically follows that a vertebrae out of place (and this can occur very easily from a bump or a fall or a strain) can interfere with the nerve and the job it is supposed to do.

So it's easy to understand how a condition that has wrongly been diagnosed as arthritis can benefit from chiropractic care. Because of this long and intensive training, a chiropractor is specially qualified to deal with these problems.

MOTORISTS URGED TO BE EXTRA CAREFUL WITH COMING OF FALL

The Maine State Police urge motorists to use extra caution with the coming of the fall season.

"With the arrival of fall, motorists will be driving more during the hours of darkness. Motorists should remember the law and use common sense by dimming headlights whenever they meet other motorists to avoid blinding a driver, and very possibly, causing a serious crash," said Colonel Allan H. Weeks, Chief of the Maine State Police.

Maine motor vehicle law requires motorists to have their headlights on one-half hour after sunset and one-half hour before sunrise.

In addition, heavy fog conditions require headlights to be turned on. Low beam rather than just the use of parking lights, according to Maine law, lights must be turned on at any time when "due to insufficient light or unfavorable condition, caused by fog or otherwise, persons in vehicles on the highway or roadway are not clearly discernible for a distance of 500 feet ahead."

"And, heavy fog conditions are particularly hazardous during school bus hours and call for extra caution on the part of motorists, such as reducing driving speed and allow more space between vehicles because of lowered visibility," said Col. Weeks.

After the regular meeting of the Pomona will have installation of officers for 1978 at open meeting to which the public is invited. Brother Chester Hayes, a deputy of New Hampshire State Grange, will be the installing officer assisted by his staff.

Following installation, the incoming Master is inviting all Patrons, friends and relatives to join him in a birthday party at the same hall. Sister Olive Davis will supply music for the grand march and other games. Sister Lillian Abbott of East Sumner has been invited to be master of ceremony.

Officers elected by Mt. Abram Fish & Game Assn. Mt. Abram Fish and Game Association met at the Locke Mills town hall on Thursday, Sept. 15 with 19 members present. Officers elected were Stan Lord, president; Arthur Cummings, vice president; Mary Stone, Locke Mills, secretary, and Arthur Gilbert, treasurer.

Brother and Sister Applin of Bethel will lead the march, followed by other games. Edna Tripp of Bethel is going to make the birthday cake. Refreshments of cake and ice cream will be enjoyed after the party.

TELSTAR TAKES THREE

IN CROSS COUNTRY

Telstar extended its cross country winning streak to 32 consecutive wins with victories on Sept. 15, 17 and 19.

The first victim was Mexico, going down to defeat 18-44. Pat Friel led all runners completing the 2.8 mile course in 16:29, followed by brother Mike at 16:34. Telstar's Steve Morrill landed third at 17:03 with Mexico's Buotte, 17:19, and John Clukey from Telstar, 17:26, following.

Rounding out the top ten were Parent (M), Staires (M), Morrill (T), Downs (T), and Kelly (T).

The Rebels did it again two days later defeating Lisbon 16-45 with the Friel brothers landing 1-2 as usual. Pat completed his home course in 14:26 and it was a tight race for the next three places, all for Telstar. Mike Friel inched out John Clukey for the rights of second and teammate Co-Captain Steve Morrill followed with fourth. LISBON IN EASY 36-0

WIN OVER TELSTAR

Lisbon gridders pounced on seven Telstar fumbles Saturday on their way to a 36-0 Mountain Valley Conference win in a driving rain on the losers' field.

It took the Greyhounds 12 plays to cover 50 yards for their initial score with Mike Bowie going over from the six. Mike Osmond rushed for the two pointer.

In the second quarter, Guard Paul Bohunicky fell on a Rebel fumble in the end zone for a score and a pass from Osmond to Bryan Douglass added more points.

Following the second half kick off by Telstar, Lisbon drove for 49 yards in 8 plays with Bowie taking it in for his second score of the day. The Greyhounds then kicked off only to have the hapless Rebels hand them the ball again on a fumble. It took five plays before Dana Hall carried it in for another Greyhound score.

Hall scored his second touch-

down in the final quarter following another Telstar fumble which gave Lisbon the ball on the losing 42 yard line. Six plays later, Hall took it in from the 10. Dale Craft, who rushed for the two pointer, was the leading ground gainer for Lisbon with 71 yards in 14 carries.

Telstar's Mike Brooks had 84 yards rushing in 12 carries in a losing cause.

The Rebels journey to Madison on Saturday for a 1:30 contest.

I feel sad today, as my beautiful Siamese cat got run over and killed this morning. My good neighbor, Dwight Grover, kindly took care of him for me, as no one stopped to pick him up. As the speed laws; nor dog laws either, are not enforced here it is little wonder that these things happen. I shall miss "Ching" as he was a lot of company for me. I hope the one that did it loses something that he or she loves some time.

SMITH - MILLS

The Bethel Church of the Nazarene, decorated with candles and pink and white daisy poms, was the setting Sept. 17 for an afternoon wedding, as Marcia Lou Mills daughter of Mr. and Mrs. John R. Mills of Locke Mills, and John Wayne Smith, son of Mr. and Mrs. R. Clair Smith of Houlton, were united in marriage. Rev. Donald C. Smith, pastor of the Nazarene Church and brother of the groom, officiated at the double ring ceremony. His wife, Jane Smith, played traditional wedding music. Donna Stewart and Wanda Washburn, sisters of the groom, sang "Saviour, Like a Shepherd Lead Us."

Given in marriage by her father, the bride wore a gown of Venice lace over organza, styled with a square neckline, lace bodice trimmed with seed pearls, empire waist and front lace panels which continued to the back where they fell to a modified lace train. She wore a lace caplet with attached applique fingertip veil and carried a colonial bouquet of pink roses, white daisies and baby's breath.

Mr. and Mrs. John W. Smith

Mrs. Diane Otis of Oakland, sister of the groom, was maid of honor. Crowned in aqua blue crepe she carried a single white rose with attached streamers. Bridesmaids were Jacqueline Crockett and Debra Jo Dunham, Bethel, friends of the bride. They wore matching gowns of green and blue respectively and carried single pink roses.

William Shimamura was best man. Ushers were Ralph Mills, brother of the bride and Daniel Otis, brother-in-law of the groom. The groomsmen wore navy trousers and ruffled shirts in blue and green. The groom was dressed in a white wedding suit.

Other attendants were Phillip Smith, brother of the groom as Bible bearer and Adam Stewart, nephew of the groom as ring bearer. The flower girl, Patricia Stewart, niece of the groom, wore a long green gown with blue accents and carried a white basket filled with colored daisies and pink rosebuds.

The Legion Hall, Locke Mills, beautifully decorated in blue and green by Jane Smith, was the scene of the reception. Geraldine Shimamura was in charge of refreshments. Mary Cobb circulated the guest book. Anna Packard, assisted by her sister, Susan, tended the gift table. Jean Grover, assisted by Joyce Stearns, served punch. The wedding cake was beautifully made and decorated by the bride's great aunt, Leona Flint and cut and served by the bride's aunt, Carolyn Colby.

The bride's going away outfit was a grey shift dress with matching jacket in grey and pink. She wore a white corsage. After a week's honeymoon to an undisclosed destination, the couple will be returning on Monday to their recently purchased home in Dryden.

There will be a Special Town Meeting Tuesday to vote on three articles. The first has to do with permission to spend the anti-slip checkbook that was adopted in the spring and summer. Some of this article is of particular interest to mobile home owners.

She was a member of the Bryant Pond Baptist Church and had served many years as Sunday School superintendent and teacher. She had also served as a deaconess and as missionary treasurer. She was a former member of Franklin Grange and Judith Grover Tent D. U. V., both of Bryant Pond. She and her sister, Miss Clara Whitman, resided at Bryant Pond on Main Street. GILEAD LIBRARY HOURS CHANGED

New hours for the Gilead Library were announced this week. It will be open Wednesday evenings 6:30 - 8 o'clock and on Saturday from 2 - 4 p. m.

Daniel Otis, Oakland, and Mrs. Jane Smith and Chrystal, Bryant Pond, were Friday afternoon callers at the home of Mrs. John Mills. The Stewarts and the Otises were Friday overnight guests of Mr. and Mrs. R. Glenn Murphy in Bethel.

Mr. and Mrs. John Mills were in Dryden Sunday afternoon visiting Roland and Barbara Huse. On their return home they found a tiny abandoned kitten wandering around. It might be a good time to get people it is more merciful to destroy kittens than abandon them. They can no more fend for themselves than a two year old child can and most people who like cats already have more than they can easily take care of now, so their chances of being adopted are very slim.

Roy Jordan is recuperating satisfactorily at the Maine Medical Center following an operation on his hip. Among his visitors have been Mr. and Mrs. Ansel Jordan, Mrs. Bertha Flanders, Mr. and Mrs. Robert Jordan, Mr. and Mrs. Henry Swan and Mrs. Roy Jordan. His room number is 222 for anyone desiring to send a card.

Ralph Mills, Locke Mills, Bill Shimamura, Bethel, Mr. and Mrs. R. Clair Smith and Phillip, Houlton, were Friday night guests of John Smith in Dryden.

what is country gourmet dining?

it's a nice mix of exceptionally fine food, prepared and served by people who really care, in an atmosphere you might call casually elegant . . . three things it is not: stuffy, pretentious nor terribly expensive . . . and Mike Jewell adds to the ambience every weekend with some very listenable piano.

REALTOR

Takeover Not Automatic

When buying an existing home, taking over a mortgage can be practical and profitable. But be cautious. Don't take for granted that assigning the mortgage to another is automatic.

The lender has a stake in who's going to repay him. Many mortgages are written which specifically prohibit this practice without the consent of the mortgage lender. The teeth will be found in an inserted acceleration clause which makes the whole balance due and payable upon sale.

The bank can activate or waive this clause depending on

the credit rating of the buyer, maintenance of the property or spread between original and current interest rates. If the interest spread is great—don't count on a takeover mortgage. Before you advertise "low int. mort. takeover", and set yourself up for a letdown, why not have us check your mortgage and advise you.

If there is anything we can do to help you in the field of real estate, please phone or drop in at EARLY REAL ESTATE, 60 Main St., Bethel. Phone: 824-2122, 824-2579. We're here to help!
